Counselor's Corner

by Andrea Gillette, School Counselor

It was a busy, fun week here at school. The character word for the month of November is perseverance, which means to keep trying.

The first and second grade students came to my class this week. The first grade students learned about persevering and the power of the phrase "not yet" meaning they are working on mastering a skill. The second grade students learned about having positive attitudes.

Next week, the kindergarten, third, and fourth grade students will come to my class. We will focus on goal setting and what it means to persevere.

If you have questions or concerns, please feel free to contact me at 615-794-1187. Have a wonderful break!
