Counselor's Corner

by Andrea Gillette, School Counselor

Welcome back to Franklin Elementary! We are so excited about this upcoming school year. Whether you are new to Franklin Elementary or have been here, we are delighted to see you and look forward to working with you and your child.

I love seeing all the smiling faces of new and old students. Just to clarify my role here, I am the School Counselor. As the School Counselor, I teach classes often referred to as guidance class or school counseling class.

Every class comes to my room two times a month for lessons. School Counselors teach skills to help students become successful students and citizens. The topics include friendship skills, manners, feelings, decision making, conflict resolution, study skills, peer pressure, saying no to drugs, safe/unsafe touches, etc. I also work with students in small groups to help build and teach skills. The topics of small groups can include friendship group, anger management group, self-concept group, citizenship group, study skills group, and family changes group. To participate in a small group, parent permission is required. If your child participates, you will know. I also see students individually as a need arises. In addition to the roles listed above, I am one of the teachers for SMART, which is a program for all kindergarten students. I have a station in SMART in which I read to the students.

This week, I have had the opportunity to see the first and second grades. Next week, the kindergarten, third, and fourth grades will come to my class. During the first lesson, the students learn about the rules for classroom behavior and who the counselor is. During the next few weeks, the students will learn about listening skills and showing respect. I hope you and your child have had a pleasant experience so far this year!

If you have questions or need more information, please feel free to call me at 794-1187 or email me at gilletteand@fssd.org. I look forward to a terrific year at FES! Have a great weekend!

Note from the School Nurse: Medications at School

by Sandra Deal, School Nurse

State law prohibits dispensing of medications, both prescription and non-prescription, at school without a completed medication form. This includes medications such as cough drops, Tylenol, Motrin, and ointments such as Neosporin. If your child requires medication during the school day, or if you would like to have medications available at school to be given if needed, please complete a medication request form. These forms are available from the school clinic or can be downloaded from our website at fssd.org.

Prescription medications require both a doctor's signature and a parent/guardian signature. The medication must be brought to school in a labeled prescription medication bottle from the pharmacy.

Non-prescription (over the counter) medications require a parent/guardian signature. The medication must be in a new, unopened container with the name of the medication and expiration date clearly visible.

MEDICATIONS MUST BE BROUGHT TO THE SCHOOL CLINIC BY A PARENT OR GUARDIAN. IT IS A VIOLATION OF STATE LAW AND SCHOOL POLICY FOR A CHILD TO BRING MEDICATIONS TO SCHOOL.

Publix Partners Card

by Nicole Clark, PTO

Is Publix your grocery store of choice? Over the years, Publix Partners has contributed more than \$30 million to over 4,500 schools giving back to support education and giving is easy.

Grab an FES designated Publix Partners card in the front office, ask for the card when checking out, or (new this year) simply sign up for a Publix.com account (if you don't already have one), select FES as your school, then enter your phone number at checkout. It's that easy!

Each quarter Publix will send a check to the school and all proceeds go towards our annual Spring Fling!

Box Tops

by Amanda Parks, Box Tops Coordinator

We are looking forward to another great year of collecting Box Tops for our school! This is a quick and easy way for families to help raise money for Franklin Elementary.

Last year we raised \$658.80 with all proceeds going to our annual Spring Fling. We would love to hit our goal of \$1,000.00 this year so that we can make the Spring Fling the best one yet!

Box Tops can be found on many everyday products that you already buy such as Nature Valley granola bars, Annie's products, Cheerios, Old El Paso products, Paper Mate pens, and Ziploc products.

Please cut and place the box tops on the attached collection sheet, or place them in a Ziploc bag with your child's teacher's name on it.

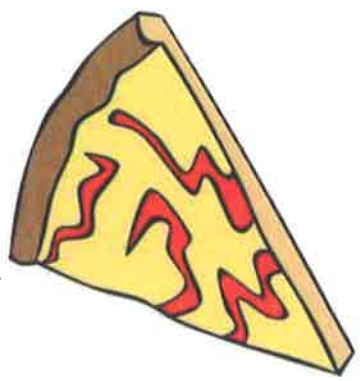

Each Box Top earns \$0.10 for our school. We would love to collect at least one sheet of 25 from each student! You can turn these in to your teacher throughout the school year! We have an upcoming fall collection deadline on Friday, October 26!

New this year is a convenient app that you can download to your phone to help us earn LOTS of bonus box tops. Please download the Bonus Box Tops App from the App Store or Google Play and under the "My Profile" section complete your information and choose Franklin Elementary school as the school you would like to support.

You can then check the "Offers" section of the app often to choose items that you may be planning on purchasing, once you hit "select" these items are added to your list. After you purchase these items, just scan your receipt and Franklin Elementary will earn digital bonus box tops. You can still cut the box tops off of these products for even more additional earnings!

Finally, Box Tops is currently holding a sweepstakes until September 9, 2018 for schools to earn 5,000 Box Tops. Please visit BTFE.com/BTS and register to win! We appreciate each of our family's support as we all work toward meeting our \$1,000.00 Box Top Collection goal for 2018-2019.
