Flu Vaccines

by Sandra Deal, School Nurse

The Williamson County Health Department will once again visit all our schools in October to administer flu vaccines at no cost. Consent forms will go home in October if you wish to register your child. The CDC recommends that all persons six months of age and older receive a flu vaccine (except those allergic to chicken eggs or those with a previous reaction to a flu vaccine). Detailed information regarding the flu vaccine is available on the CDC website: cdc.gov.

Counselor's Corner

by Andrea Gillette, School Counselor

Happy Friday! I hope you and your family had a nice week. The character word for the month of September is respect, and we are continuing to learn the meaning of respect.

This week the first and second grade students came to my class, and they learned qualities of a good friend.

Next week, the kindergarten, third, and fourth grade students will come to my class. The kindergarten students will learn about the caring and sharing rules (how to treat others). The third grade students will finish learning about friendships using the story, Enemy Pie, and the fourth grade students will learn ways to respect others.

If you have questions or concerns, please feel free to contact me at 615-794-1187.

Have a great weekend!

Businesses Needed to Exhibit or Sponsor Career Quest 2018

Career Quest will be **Thursday, November 8**. This comprehensive career day provides eighth grade students in the Franklin Special School District, Williamson County Schools and public, private and home school students with valuable information about the many career opportunities available.

The schools recognize there are specific workforce needs for Williamson County and Middle Tennessee and are taking an active role in introducing students to current and emerging career opportunities by offering more career education within the curriculum. Career Quest engages students in authentic learning about careers.

For more information on or to find out how to participate, please visit fssd.org/counseling/career-exploration-day/.

Box Tops

by Nicole Clark, PTO

Continue collecting those Box Tops!!!! All proceeds go to our annual Spring Fling!

New Security Features

Susannah Gentry, FSSD Communications Specialist

We would like to make you aware of additional steps that are being taken across the district to improve the security of students, faculty, and staff during the school day. If you have visited one of our schools recently, you may have noticed a badge sensor and a video phone in the vestibule next to the office door. Beginning in a few weeks, all school office doors will remain locked throughout the school day. Anyone visiting the school will use the video phone to call into the office by simply picking up the receiver to share the nature of their visit. For those who need further access to the school to visit a classroom, cafeteria or common area, we will continue to require that a valid, government-issued photo ID be shown to the front desk attendant before signing in and receiving a visitor's badge.

We are proud to have strong safety measures in place and are continuously working to improve the quality and safety of the school learning environment. Additional communication will go out to make you aware of next-steps and prepare you for the details regarding how these new features will be utilized.
