New Security Features

The videophone system is now operational. Our office staff will be sure to remind you to sign in and show your valid government-issued photo ID if you plan to leave the office area.

FES Student Health Council

by Lisa Chatman, Coordinated School Health

The second meeting of the FES Student Health Council was filled with lots of tastiness!

We had a blind taste test to explore the different varieties of apples. Graphs and worksheets helped us describe the textures and flavors. FES Council members sampled Granny Smith, Fuji and Honey Crisp. Honey Crisp received the most votes as the favorite type of apple!

Counselor's Corner

by Andrea Gillette, School Counselor

Happy Friday! I hope you had a great week back at school after Fall Break. The character word for the month of October is responsibility, and the students have been learning about responsible behaviors. The kindergarten, third, and fourth-grade students came to my class this week. The kindergarten students learned about working in groups, and the third and fourth grade students continued learning study skills (how to study for a test and how to answer test questions). The first and second grades will come to my class next week. The first-grade students will listen to a story, DC's Adventures, about responsible behaviors. The second-grade students will listen to a story, Annie's Plan, and practice organizational skills with schoolwork and homework. If you have questions or concerns, please feel free to contact me at 794-1187. I hope you have a wonderful weekend!

Businesses Needed to Exhibit or Sponsor Career Quest 2018

Career Quest will be **Thursday, November 8**. This comprehensive career day provides eighth grade students in the Franklin Special School District, Williamson County Schools and public, private and home school students with valuable information about the many career opportunities available.

The schools recognize there are specific workforce needs for Williamson County and Middle Tennessee and are taking an active role in introducing students to current and emerging career opportunities by offering more career education within the curriculum. Career Quest engages students in authentic learning about careers.

For more information on or to find out how to participate, please visit fssd.org/counseling/career-exploration-day/.

The Book Nook

by Julie Bryant, Librarian

Once upon a time in an enchanted forest library not so far away a Book Fair will soon arrive awaiting the little magical beings that will once again be delighted at the sight of books and enchanted treasures. Be on the lookout for more magical information!

Congratulations to all of the students who made their AR goals for the first nine weeks! First grade students get to come visit the Library Mouse House when they have earned ten 100%'s or 80%'s on their AR quizzes and we have had several visitors in for a visit. Keep up the good work!

Considering first grade students are working on developing their speed and comprehension, chapter books are not recommended for AR quizzing at this time. We have plenty of picture books and non-fiction/informational books on all levels.

It is a great time to be in the library! Don't forget to check out our new books and see what kinds of books third and fourth grade students are "tweeting" about.

Keep reading everyone!

FSSD Parent Meeting: Best Buddies

ALL PARENTS WELCOME!

Tuesday, November 13, 2018

6:30 PM – Franklin Elementary School Media Center

In order to foster understanding and improve inclusive peer relationships among students, the FSSD Special Education department is hosting a parent meeting on Tuesday, November 13, 2018 from 6:30-7:30 PM at Franklin Elementary School Media Center, 1501 Figuers Drive, Franklin.

Haley Hatchell, Community Engagement Manager for Best Buddies Tennessee, will be joining us to talk about the importance of inclusive friendships for students with and without special needs. Best Buddies is a non-profit 501(c)(3) organization dedicated to establishing a global volunteer movement that creates opportunities for one-to-one friendships, integrated employment and leadership development for people with intellectual and developmental disabilities (IDD).

Childcare is available. Many of our special education teachers and paraprofessionals donate their time for you to attend this very important meeting. You do not need to make reservations for childcare, but it would be beneficial if you would let us know how many children you plan to bring.

If you have any questions, please call Beth Farrar at 615/794-6624 or 615/238-1867.
