Counselor's Corner

by Andrea Gillette, School Counselor

Happy Friday! I hope you and your family had a great week. I can't believe it is almost time for the break. These past few months have gone by so quickly.

The character word for the month of December is caring, and the students have been learning what it means to be a caring person. The kindergarten, third, and fourth grades came to my class this week. The kindergarten students learned ways to be caring. The third and fourth grade students learned the definition of bullying and the people involved in a bullying situation (bully, victim, bystanders). We focused on treating others with kindness. The first and second grade students will come to my class next week, and we will focus on caring behaviors and ways to respond when we are teased. I hope you have a great weekend and a restful break after next week.

Bake Sale Success

by Caroline Beauchamp, Lauren Shannon and Malaina Wells-Watson

Thanks to your hard work the bake sale raised about \$700!! So many of you took the time to make delicious cookies, brownies, cake pops, fudge, cupcakes, doughnuts, pies, etc. and then you showed up in the evening and bought nearly everything. We truly appreciate you for helping make this event a success. Thank you!
